

GO FOUNDATION - PEF SCHOLARSHIP

The GO Foundation – PEF Scholarship aims to support indigenous students to successfully progress through school to completion.

The GO Foundation seeks to empower Indigenous youth through education. Scholarships are provided in a collaborative model with partner organisations and provide access to cultural mentoring, corporate mentoring and pathways to post-secondary education and employment. The GO Foundation Scholarship is an entry point to a collaborative ecosystem – a network for Indigenous students and their communities. Through this collaborative model, the GO Foundation seeks to assist Ecosystem Partners to better understand the unique perspective of Indigenous students and the richness they can add to the workplace.

The recipient will receive the scholarship for the term of the scholarship as long as they remain enrolled in a public school, shows reasonable academic progress and continue to meet the conditions of the scholarship. The scholarship can be tailored over time to meet the specific circumstances, interests, and learning needs of the recipient. It will be shaped by the needs of the student with support and input from relevant parties which may include from the School Principal, the GO Foundation and/or the Public Education Foundation.

GO Foundation-PEF Scholarships will be offered to students entering year 11 in 2020 in **metropolitan public high schools** in the **greater Sydney region or greater Adelaide region**. Each scholarship is for a total of two years and recipients receive funding of \$2,500 per year (total of \$5,000). In addition to financial support, each scholarship recipient will be provided with access to the GO Foundation's support, mentoring services and access to other opportunities.

The scholarship is to cover educational expenses such as:

- Incidental fees (eg text book hiring, costs associated with a specialised subject etc)
- Uniforms and school shoes (including school sports clothing)
- Stationary and general office items and equipment
- Text books
- Laptop or iPads or other similar devices
- Printers
- Internet connection for study at home
- School excursions and school camps
- Costs associated with work experience linked to VET subjects
- Furniture for study such as desk, chair, lamp etc

If a student leaves public school before the end of the scholarship term, the scholarship will lapse. Any unspent monies at the end of the scholarship period must be refunded to the Public Education Foundation scholarship fund.

We have developed a paper application form which will hopefully assist with this process. - Reference from an Aboriginal Community Member
- Signed Terms and Conditions

Please make sure they are legible and signed.

If you require a paper version of this application, please contact PEF on info@publiceducationfoundation.org.au
